

AND NINTHLY

MICHAEL GIBSON

THE “FAMOUS” CLOCK FACE METHOD

Draw a pizza that has been cut into 9 pieces.

Here is the image of a pizza cut into 9 pieces, as you requested! Let me know if you'd like any adjustments.

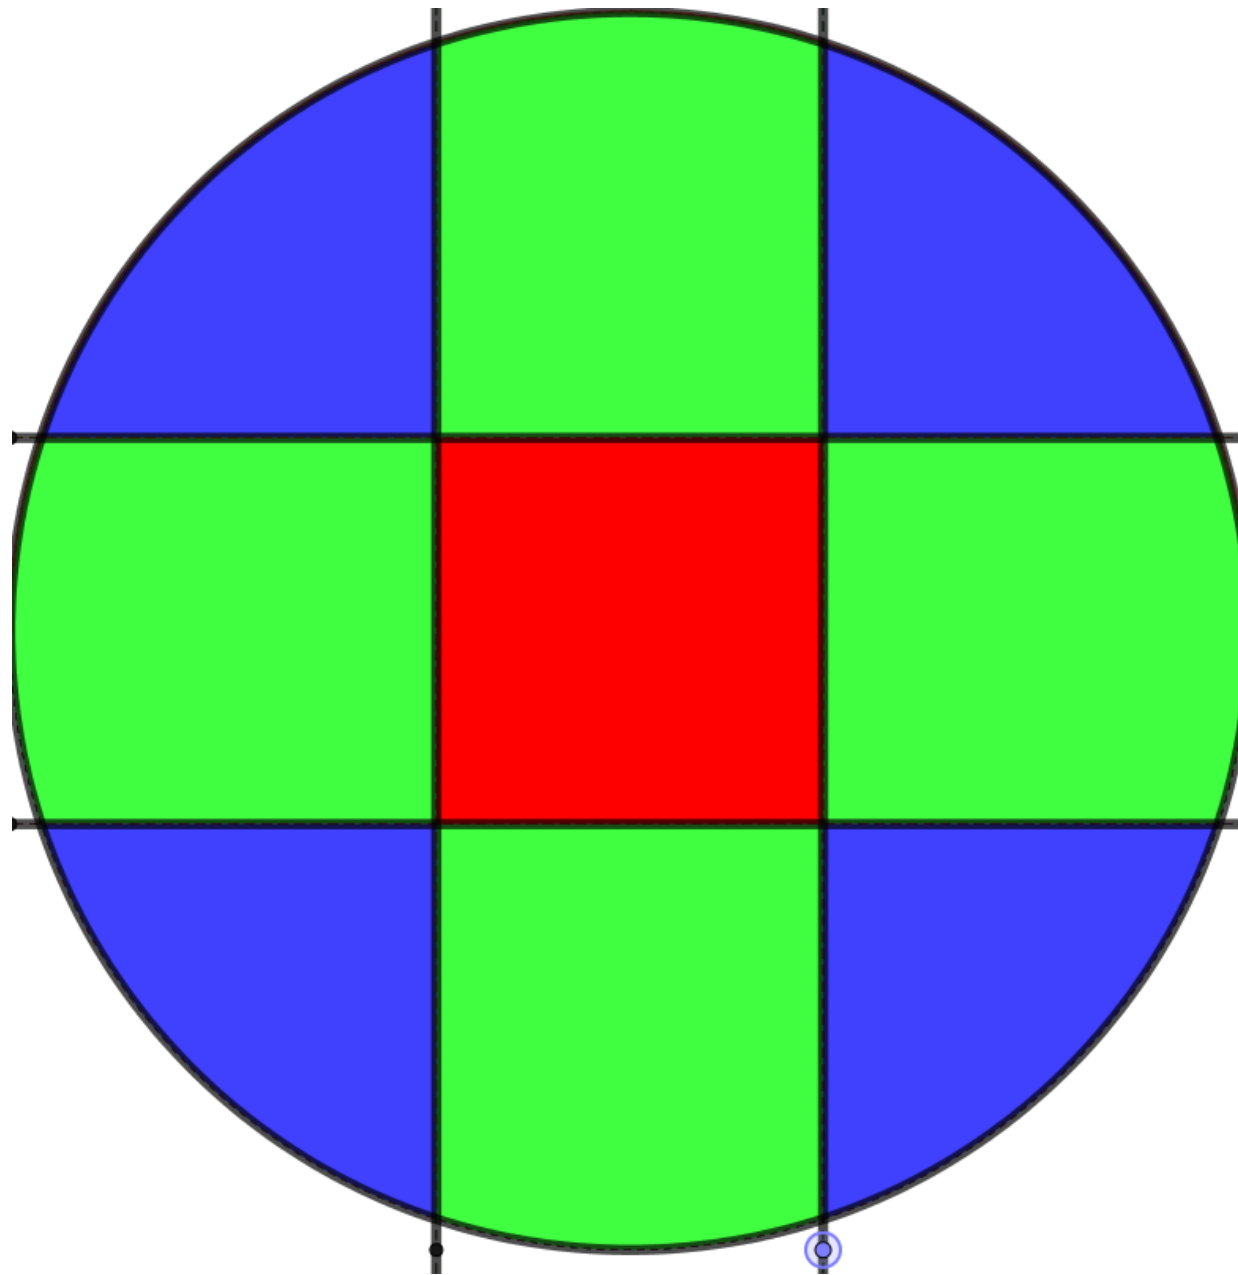

Can you make the pieces equal in size?

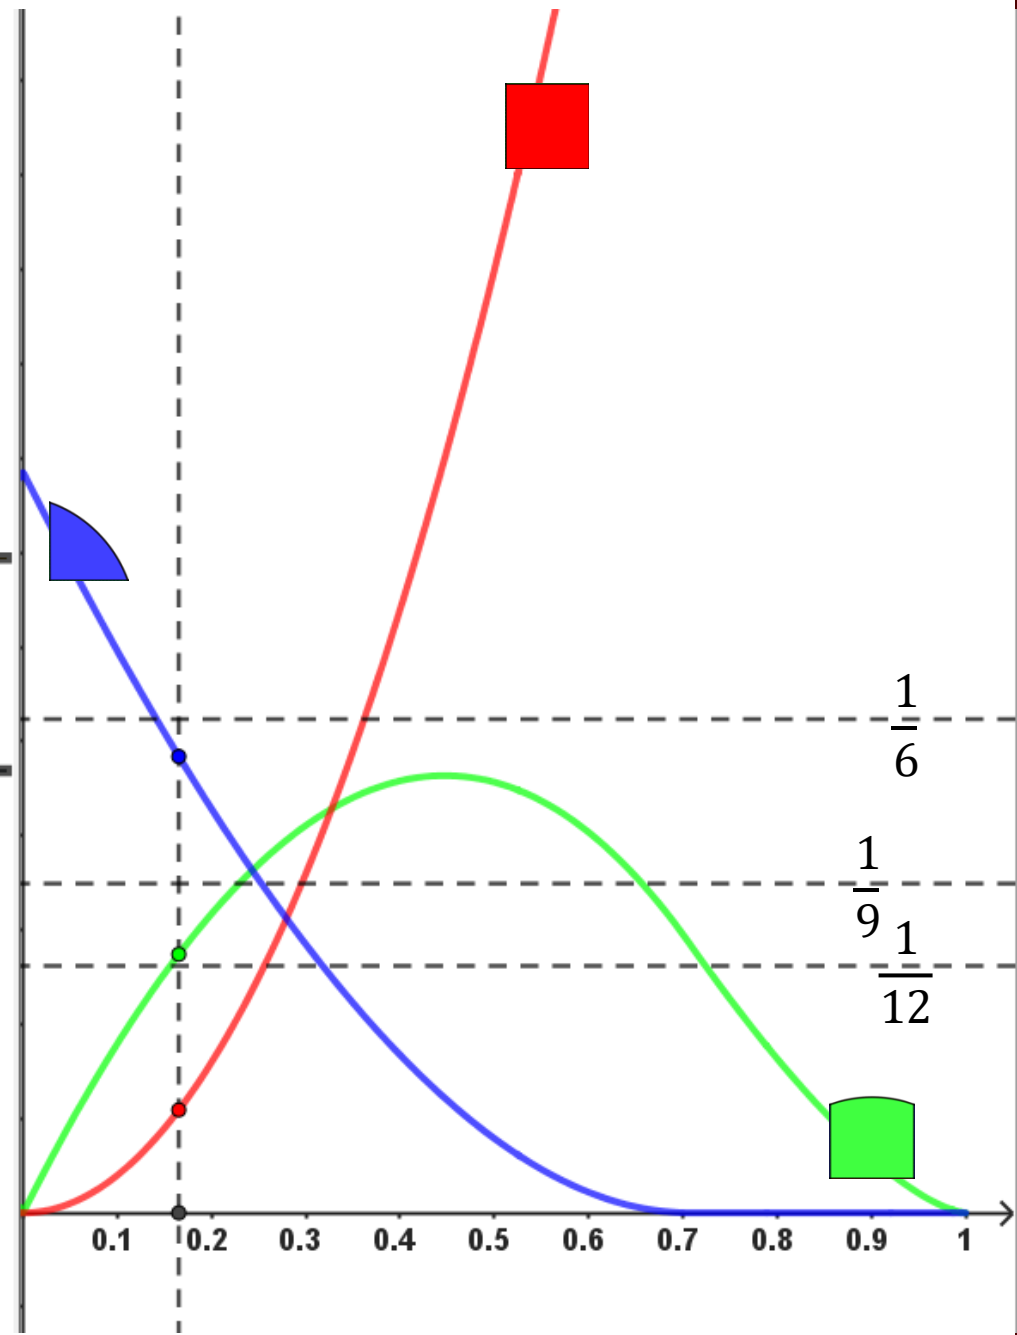

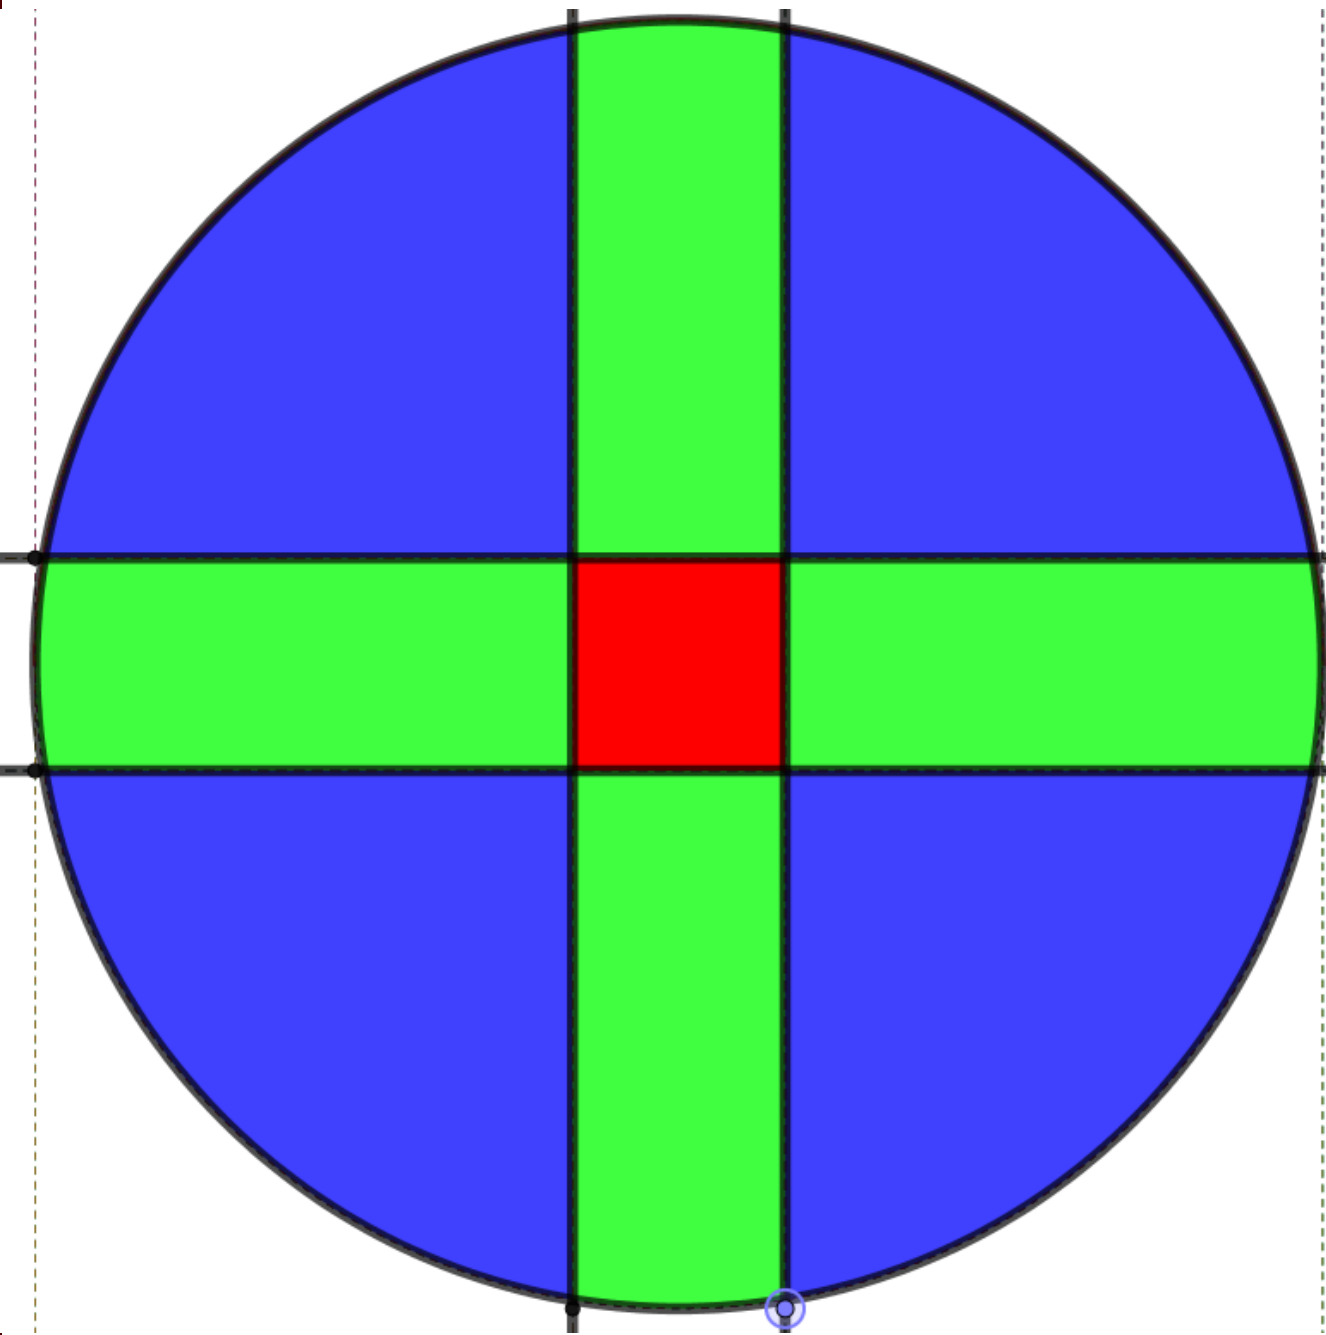

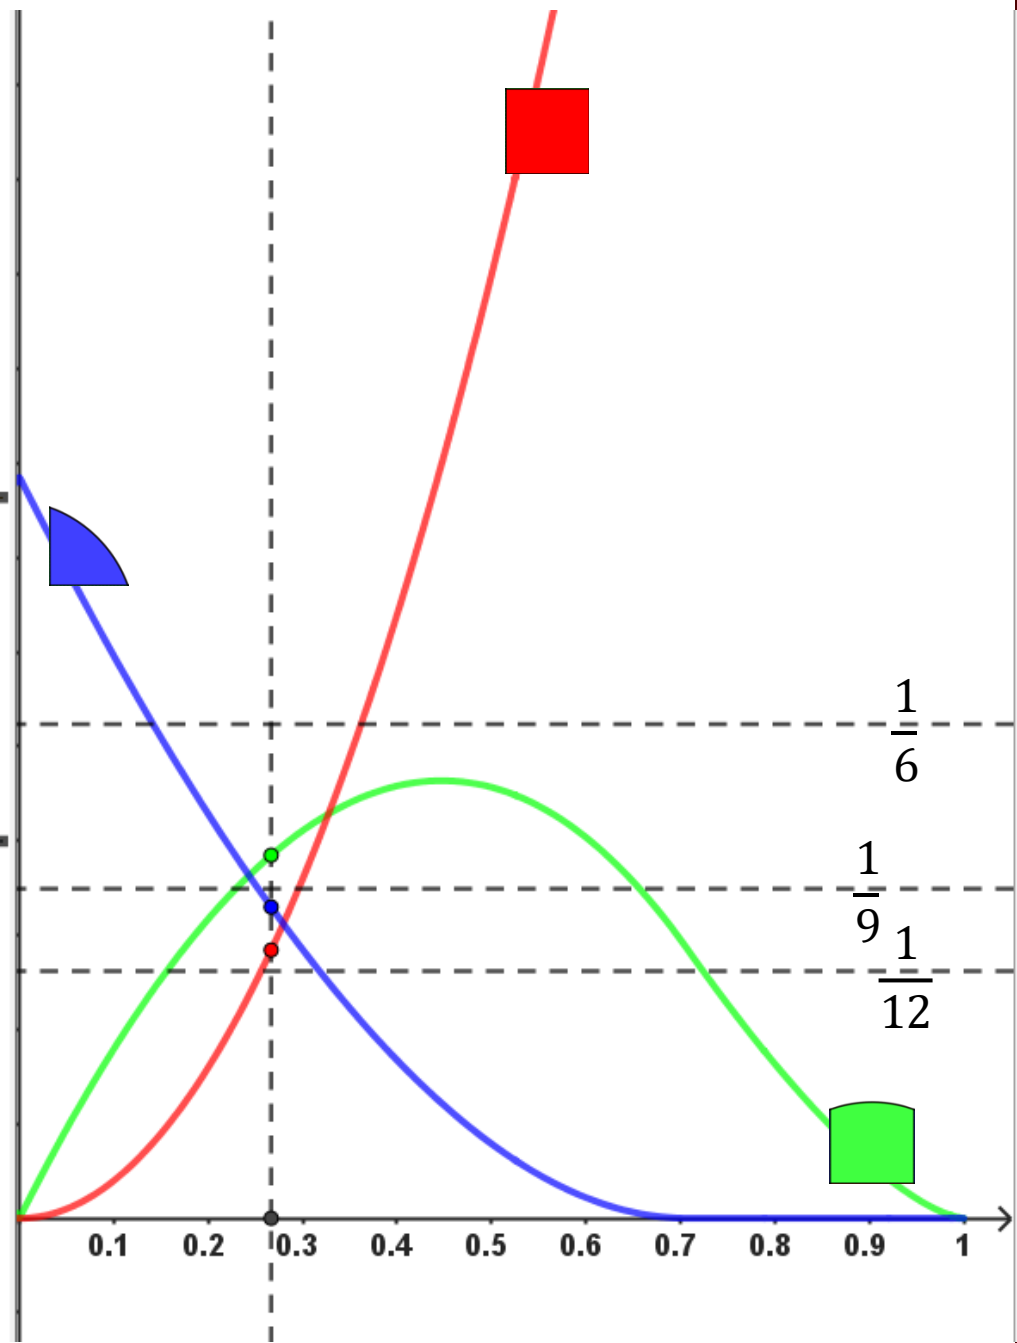

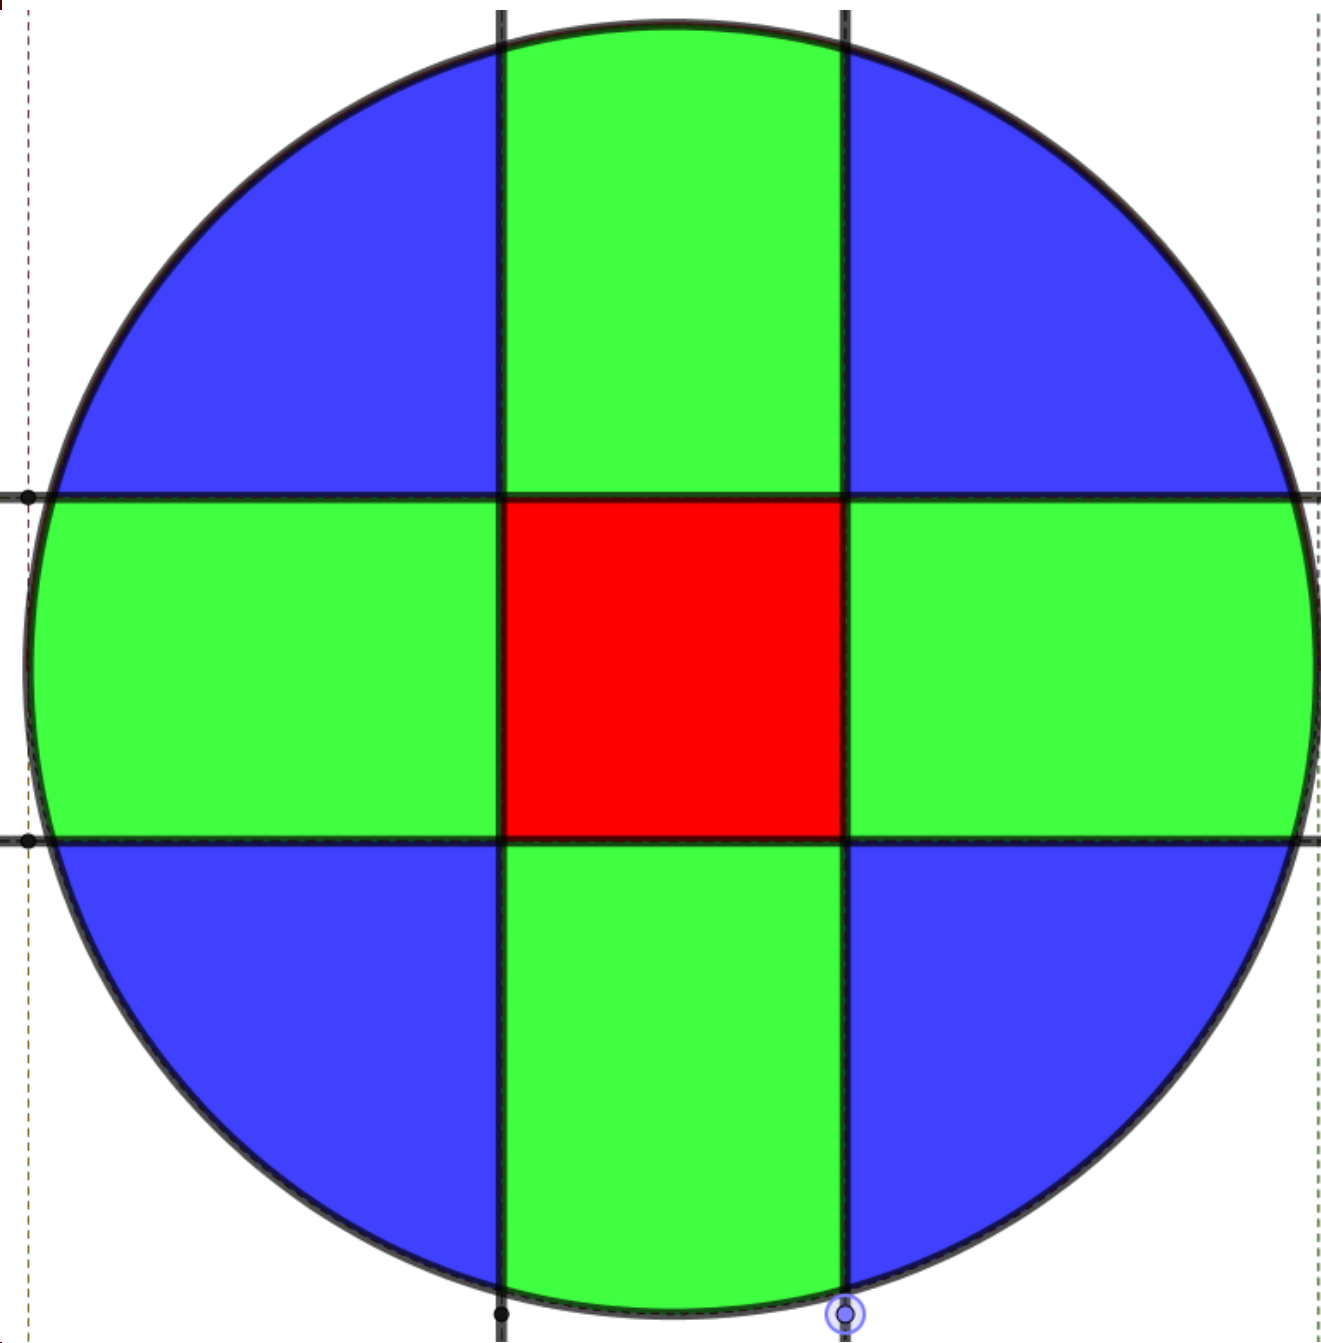

Here is the image of the pizza cut into 9 equal-sized pieces. Let me know if this looks good or if you'd like any further changes!
