## Joseph Swarbrick

[Home](#) / [Titanic](#) / [Delivery Crew](#) / [Mr Joseph Swarbrick](#)

Mr Joseph Swarbrick was born in Belfast, Ireland on 7 February 1892. Coming from a Methodist family, he was the son of Joseph Swarbrick, a marine fireman, and Charlotte McCarten.

His parents hailed from Liverpool and had moved to Belfast only a short while before he was born. The family were listed as residents of Cosgrove Street, north Belfast on the 1901 census but in following years the family would return to Britain.

Joseph later joined the Royal Naval Reserve and served since 1911 with the Belfast Steamship Company.

Swarbrick's ship prior to *Titanic* had been the *Heroic*. He joined *Titanic* at Belfast for the delivery trip to Southampton where he then disembarked. His elder brother [William](#) was also serving on *Titanic* for the delivery trip.

In 1936 Joseph Swarbrick married Charlotte Bingham, but they had no children. The following year, whilst a greaser aboard the *Ulster Monarch*, he was awarded the Order of the British Empire.
